

Ecumenical **Good Friday** *Walk for Justice*

Friday March 25 2016

2 pm Gather at Harbour Square Park *west of ferry dock at foot of Bay Street*

2:30 Proceed up Bay Street *stopping at 'stations' along the way
to decry the unjust use of divine gift of water
leading to environmental degradation,
suffering of First Nations Communities
and vast numbers of refugees.*

3:30 Arrive at Church of the Holy Trinity just west of the Eaton Centre
*For a final station and worship with a
message from Jennifer Henry, executive Director of KAIROS*

4 pm Simple supper of Soup and Bread

A freewill offering will support the work of social justice organizations taking part

As we walk,
we journey with Jesus,
enacting a hope
rooted in our power
to overcome
the forces of
brokenness and death,
and build a world
of abundant life.
